

The temperature-controlled Cedarwild pool is just one great place for all ages and lots of activities.

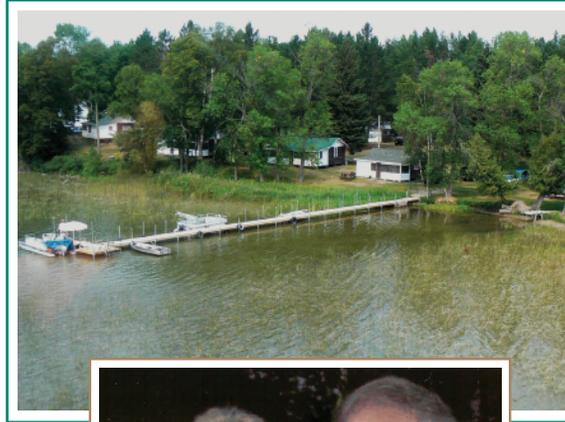

It is well placed on a high spot overlooking Big Moose Lake, the view so picturesque. There is always natural shade if you want it, and usually a nice breeze for added comfort.

In the water or on the deck... It's a time for family fun, connecting with new and old friends, enjoying a good book, or surfing the net via our wireless hub.

Here is a  
*Royal Treat*  
from nature to you!

# CEDARWILD

... An Itasca County RESORT

For more than 50 years...  
Families have been returning to  
Cedarwild to share in  
the fishing, renew friendships,  
and to enjoy all that is  
Cedarwild Resort.

[www.cedarwildresort.com](http://www.cedarwildresort.com)

Though one does not need to fish to enjoy a week at Cedarwild, we can still boast about our waters.

We are blessed with a picturesque shoreline and solid docks on two good lakes. One could call this the "Tale of Two Lakes", for they are nicely connected and related.

You can visit our website to read about the fishing and you'll see a discussion there about our handy access to Big Moose and Little Moose Lakes. This provides good choices everyday.

*You are invited to visit [www.cedarwildresort.com](http://www.cedarwildresort.com)*  
There you'll see that there is a lot to do for kids of all ages, but what you won't really be able to experience is that it all plays out enveloped in a rustic splendor that is uniquely Cedarwild. Everyone can find enjoyment at Cedarwild between fishing trips and pool visits:

Our wide cedar dock provides a great place for fishermen to moor their boats. At the very end of the dock you will find a sitting pier where you can enjoy the breeze off the lake while reading your favorite book, sharing morning coffee or evening dessert with family and friends or just enjoy the beautiful sunrise or sunset.

Here at Cedarwild we work hard to create and maintain a rustic elegance, with lots of great things to do and lots of nature to enjoy!

- Play Area with sand box & swings
- Horseshoes
- Volleyball
- Paddle Boats & Canoes
- Game Room
- Temperature-Controlled Pool
